Sir

I have the honor to state that the President of the Alur Municipal Council reports that the Comptroller has, in the course of audit of the Municipal accounts for 1924-25, taken objection to an expenditure of Rs 25-11-6 incurred by the Municipal Council on account of extra rate of commission paid to the Mohatarfa Shanbhogue for collection of revenue on the ground that it requires sanction of Government

From the correspondence, it is seen that the extra rate of commission at Rs 10% instead of 5% was paid under a resolution of the Municipal Council dated 26th June 1924 The Municipal Council reaffirms the said resolution and now recommend that the extra commission paid may be sanctioned

2 I submit herewith the correspondence ending with the Municipal President's report No 251 dated 23rd December 1928 along with all its enclosures, and request that the extra expenditure of Rs 25-11-6 incurred by the Municipal Council may kindly be sanctioned by Government as a special case

3 In this connection, I may mention that it was wrong to have paid extra rate of commission, and though the Council had passed a resolution inadvertantly in that behalf, the President ought not to have paid the extra rate, without sanction from

P T O

higher authority As such unauthorized payments of money have of late become frequent, in many Municipalities, I request that a ~~xxxxxx~~ ruling may kindly be passed by Government making the Presidents and Vice Presidents of Municipal Councils personally responsible for such unauthorised items of expenditure and liable to make good the amount in such cases

I have the honor to be,

S i r,

Your most obedient servant,

Submitted for orders with a draft sanctioning the expenditure already incurred at the higher rate assessed As regards the ruling regarding proposed legislation, a circular may be issued in the matter by himself if no data is available for working up a scheme by the year only the system of surcharge proposed in the new Act will be followed in such cases
